Dear Alan:

I simply wanted to drop you a line concerning the business we have done in the past and the professionalism with which you handle everything that you do. Some Realtors claim to know Commercial Real Estate. You clearly "know" Commercial Real Estate sales, leasing and financing. Whether it is a commercial lease or a commercial purchase, the transaction is always a smoother transition when you and your company are involved. You bring a level of competence and professionalism that is appreciated by everyone in the transaction.

Very truly yours,

John L. DiGiacomo, Esquire
